C-005 双门顺闭器 Double Door Holder

表面处理：烤漆灰

适用门型：木质及钢制防火门

功能描述：与逃生门锁配合使用,替用插销功能

材质说明：锌合金压铸

尺寸说明：175*73mm

Double Door Holder

The C-005 is designed for use with Exit Control Locks to provide locking of the inactive leaf on an outswinging double door. Release of the active leaf disengages the C-005 allowing the inactive leaf to open freely.

Suite for metal and wooden door

Material: die-casting aluminum

Dimension: 175*73mm

Finish: silvery, powder coating
